

Indigenous Identity

Indigenous art and cultural themes create stunning clothing and convey strong messages

We adore how these new designs encapsulate breath-taking Indigenous themed clothing. These are only examples of what can be achieved with Indigenous styled design, showing our capabilities, demonstrating possibilities, and what you can create with Indigenous art and cultural themes. We look forward to working with Indigenous organisations to create their own designs to fulfil their cultural and artistic requirements.

Elite polo

- button up placket with collar
- set in sleeve
- Trimesh side panels with piping for added comfort
- Micromesh cool/dry fabric
- modern fit in mens, ladies & youth sizes

These cool designs have been sublimated on the Elite polo for this example but can be added to the garment style of your choice.
