

MARQUEES

gotcha covered

Get out there and get noticed

When you're passionate about your team and proud to show your true colours, this portable billboard will ensure you stand out in a crowd. Sponsors get bang for their buck, while your team is kicking back in the shade. All printing is performed at the same factory resulting in a perfect match for your marquee and uniforms.

A complete design service is available to create quality, cost effective, stunning advertising. Order the canopy and frame together, or a customised canopy on its own. You can also add matching side panels for bigger impact and more protection.

**Keep your cool in
the summer heat
shade from the burning rays**

Shout out your message

When you're passionate about your team and proud to show your true colours, this portable billboard will ensure you stand out in a crowd. A professional presentation personalised with your design is your reward when you choose this custom marquee.

Kick back and relax in style

Do your sponsors proud

✓ Fully customise with sublimation

If you're interested in quality and durability full colour sublimation printing is the answer for your marquee and clothing colours. A complete design service is available to create this top quality cost effective portable advertising. All printing is performed at the same factory resulting in a perfect match.

✓ Fabric

This water repellent 100% Poly Oxford canvas (270gsm) is a heavy duty fabric perfect for providing instant shade from the burning rays or blocking drizzle and chilling winds.

✓ Add side panels

Match your canopy with side walls to provide protection and attractive high visibility.

✓ Durable and portable

A great choice for sporting clubs, camping, entertaining, market stalls, schools, motor sports, expos, trade shows and more...

Built to last

Canopy

Purchase the customised canopy alone or with one of the three Altegra frames mentioned below. Canopies have been designed to combine with Pro Lite Altegra frames (three sizes). Supplied with a carry bag.

Side panels

You can add side panels customised in 3 metre lengths of Poly Oxford canvas to your canopy. These panels zip together and allow you to screen one wall or more. Each side panel is attached by Velcro for easy removal.

Frame sizes available to suit this custom canopy

- 3m x 3m (four legs)
- 3m x 4.5m (four legs)
- 3m x 6m (six legs)

Pro Lite Altegra Frame

The 40mm hexagonal aluminium frame is a strong and reliable lightweight commercial grade product. Supplied with a dual layer 1200D carry bag on wheels.
