

RUGBY

LEAGUE

From the front row to full back you'll feel like a champion

Stand tall with reinforced rugby league apparel built for performance and comfort. Our range of fits and necklines give you plenty of options to find the right look for your team. Whatever grade your team competes in our jerseys are built tough and won't let you down.

Simply choose to update your current rugby league jerseys, or completely spice up your club's image. It's easy when you customise our studio designs with your club colours and logos or go to town and discuss a full design service with us.

BUILT TOUGH

Modern style and fit

Raglan sleeves, side panels, tab placket and standard collar provides a modern fit.

Additional seam strengthening

Specialised core spun threads with high tensile strength are used throughout the garment delivering extra strength to all seams.

Comfort and durability

The use of a 5-thread stitch on all seams means extra durability with out compromising comfort.

Increased raglan sleeve strength

Added piping with double needle lock stitch at raglan sleeve seams increase strength.

Strengthened high stress areas

Bar tacking at high stress areas of the garment provides strength.

Reinforcement tape

High intensity herringbone tape around the neck, shoulders and all seams creates further strength and durability.

Reinforced side seams

Herringbone tape is added and sewn into side seams using core spun threads which adds extra strength to all side seams.

Strengthened side seams

Outline stitching is sewn using core spun threads which adds extra strength to all side seams.

Collar strength

High intensity herringbone tape is used around the neck for extra strength and durability

Hem and sleeve strength

Hem and sleeve binding for added strength and a modern finish.
